

Update and customize your Kids 'R' Kids website.

See Website Agreement form for specific pricing information and to initiate your site.

Kids 'R' Kids International Corporate Office has invested in the design and development of two corporate approved website templates for Franchisees.

For a minimum setup fee, you can make one of these websites your own. Five email addresses are included with every website. Unless otherwise noted, please allow 10-14 working days for initial setup.

View the two Site Designs online at:

Site Design 1: www.krksite1.com
Site Design 2: www.krksite2.com

New color options to Site 1 can be viewed at:
