Schedule is subject to change. Please watch for updates!!

Summer is right around the corner! We are so excited about this years plan. This summer's theme is Camp Kidwell. We will be focusing on healthy choices and staying active. We will also be implementing the Character Counts program again to help the children develop positive self esteem and prosocial behavior.

As in previous summers, we have specialty camps available. This year's camps include: soccer, t-ball, all sorts of sports, dance, cheer and tumbling. We will also have three-5 day swim camps to be held a Lifetime Fitness. You can get information about the camps at the front desk.

As you are planning for the summer be advised that we will strictly be mandating that KRK t-shirts are worn on all the field trips and closed toed water shoes worn each splash park day. If your child does not have the proper attire they will have to participate in a different activity. T-shirt will be available for sale at the front desk for \$10 each before the start of summer. You may wear shirts from previous years.

In order to properly staff for all these great plans we need to know who all will be attending. **Please complete the following information and return it to the front desk.** Remember each summer you receive 2 free weeks of vacation. However, you must notify the office one week prior to your vacation of your absence so your account will be credited accordingly.

I am so excited about the fun we will have this summer!

Beth Miller
